AUTHORIZATION AND RELEASE: I authorize and payment of insurance benefits directly to the chiropractor or chiropractic office. I authorize the doctor to release all information necessary to communicate with personal physicians and other healthcare providers and payors and to secure the payment of benefits. I understand there is no guarantee that my insurance companies or prepaid health plan will cover or pay for all of my charges. Notwithstanding denial, reduction of benefits or failure to pay for any reason, I understand that I am responsible for all remaining charges.

HEALTH INFORMATION USAGE: The patient understands and agrees to allow this chiropractic office to use their Patient Health Information for the purpose of treatment, payment, healthcare operations, and coordination of care. We want you to know how your Patient Health Information is going to be used in this office and your rights concerning those records. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information we encourage you to read the HIPAA NOTICE that is available to you at the front desk before signing this consent.

INFORMED CONSENT: I hereby request and give my consent to the performance of conservative noninvasive treatment to the joints and soft tissues. I understand the procedures may consist of manipulations/adjustments involving movement of the joints and soft tissues. Physical therapy, exercises, and acupuncture may also be used (or on the patient named below, for whom I am legally responsible).

Although spinal manipulation/adjustment is considered to be one of the safest, most effective forms of therapy for musculoskeletal problems, I am aware that there are possible risks and complications associated with these procedures as follows:

- Soreness: I am aware that like exercise it is common to experience muscle soreness in the first few treatments.
- Dizziness: Temporary symptoms like dizziness and nausea can occur but are relatively rare.
- Fractures/Joint Injury: I further understand that in isolated cases underlying physical defects, deformities or pathologies like weak bones from osteoporosis may render the patient susceptible to injury. When osteoporosis, degenerative disk, or other abnormality is detected, this office will proceed with extra caution.
- Stroke: Although strokes happen with some frequency in our world, strokes from chiropractic adjustments are rare. I am aware that nerve or brain damage including stroke is reported to occur once in one million to once in ten million treatments. Once in a million is about the same chance as getting hit by lightning. Once in ten million is about the same chance as a normal dose of aspirin or Tylenol causing death.

I also understand that there are beneficial effects associated with these treatment procedures including decreased pain, improved mobility and function, and reduced muscle spasm. However, I appreciate there is no certainty that I will achieve these benefits

I realize that the practice of medicine, including chiropractic is not an exact science and I acknowledge that no guarantee has been made to me regarding the outcome of these procedures.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

Assignment of Benefits & Rights and Direction to Pay Benefits Owed

I, the undersigned insured or beneficiary of an insurance policy, irrevocably assign to **Young Chiropractic llc (dba Lake Buena Vista Chiropractic)**, hereafter "**Provider**" whatever rights I have under any policy of insurance and under Florida law, including, without limitation, any and all claims for attorney's fees, costs, interest and/or damages pursuant to Florida Statute 624.155. This Assignment of Benefits (AOB) includes an assignment of any potential claim for common law or statutory bad faith. If the Insurer disputes the validity of this AOB, then the insurer is instructed to notify the provider in writing within 10 days of receipt of this document. Failure to do so shall result in the provider relying on this AOB for direct payment and could constitute a waiver by the insurer to contest the validity of this document. I do hereby confirm that this AOB is irrevocable and instruct any insurance company or other collateral source for which I am entitled to benefits to pay for monies owed as a result of medical services rendered by (**Provider**) to promptly make payment in the name of and directly to (**Provider**) or its chosen billing service.

Pursuant to this AOB, (**Provider**) is authorized to file suit on my behalf against any insurance company that reduces or denies benefits for medical services rendered to me and to collect any damages awarded or settlement monies for services rendered, plus interest, costs, reasonable attorney's fees and a contingency fee multiplier. I understand that in any such lawsuit, my name or other identifying information will need to be included in and/or portions of my medical file attached to pleadings and/or formal discovery. I waive any confidentiality of my records and/or information but only to the extent necessary to prosecute a claim for unpaid or owed medical expenses against the insurance company or any other responsible party.

I acknowledge that (**Provider**) objects to any reductions or partial payments by the Insurer. Any partial or reduced payment, regardless of the accompanying language, issued by the Insurer and deposited by (**Provider**) shall be done under protest, at the risk of the insurer, and the deposit shall not be deemed a waiver, accord, satisfaction, discharge, settlement or agreement by the provider to accept a reduced amount as payment in full. (**Provider**) reserves the right to seek the full amount of the bill submitted from the insurance company(ies) or me. Accordingly, the insurer is hereby instructed to set aside (escrow) any and all reduced or denied benefit payments for medical services rendered by this provider and not pay the disputed amount to anyone until the dispute is resolved.

I further instruct my insurance company to cooperate with the above-captioned (**Provider**) in resolving all medical billing disputes. Cooperation includes, but is not limited to, providing any and all declaration pages, PIP logs, payout ledgers, explanations of benefits, copies of checks, and any and all other documents or information to (**Provider**) or its attorneys, employees or other representatives acting on behalf of (**Provider**). If the insurer schedules a defense examination, examination under oath (EUO) or Independent Medical Examination (IME) of the patient, the insurer is hereby instructed to send a copy of said notification to this provider and the provider's attorneys. The provider and/or the provider's attorneys are authorized to appear at any patient EUO or IME set by the insurer. **THIS ASSIGNMENT OF BENEFITS DOES NOT ASSIGN ANY RIGHTS OR OBLIGATIONS UNDER THE POLICY OF INSURANCE, TO SUBMIT TO AN EUO OR RECORDED STATEMENT.** I further direct and authorize you to speak to an attorney, employee or any other representative of (**Provider**) or anyone acting on their behalf over the phone and provide them with any and all information you may have or documentation not previously listed above that they may request.

I, as the patient, agree to remain personally liable for the amounts billed by (**Provider**) regardless of the amount paid by the insurance company, unless ordered by a court of law. I fully understand that said health care services were provided to me in consideration for an unconditional promise to pay and for me providing these instructions to my insurance company. I, as the patient, further agree to be liable for reasonable attorney's fees and costs incurred in collecting any delinquent accounts or unpaid balances. By executing this document, I am placing my insurance company(ies) on notice that the claims for medical treatment rendered by (**Provider**) are related to my accident (or my covered conditions) and should be paid directly to (**Provider**) pursuant to this assignment of benefits and Florida law. Any delay in paying benefits owed under the insurance policy could adversely affect me.

BY EXECUTING THIS DOCUMENT, I AM PLACING MY INSURANCE COMPANY ON NOTICE THAT THIS IS A DIRECT ASSIGNMENT OF BENEFITS & RIGHTS PURSUANT TO FLORIDA LAW. AS THE INSURED OR BENEFICIARY OF SAID INSURANCE POLICY, I AM IRREVOCABLY ASSIGNING WHATEVER RIGHTS I HAVE UNDER MY POLICY OF INSURANCE (LESS THE DUTY TO ATTEND AN EUO) AND UNDER FLORIDA LAW TO THIS HEALTH CARE PROVIDER. A photocopy of this assignment shall be considered as effective and valid as the original.
